John Ernst Seppelt, born 1813 in Silesia, came to Australia in 1850 with his wife and children and settled in Klemzig (South Australia). In 1851 he built Seppeltsfield where he initially grew tobacco, wheat and vines. He constructed a winery plant in the mid 1860s which after his death in 1868 was taken over by his eldest son Benno. By 1875 Benno Seppelt had an estate of 560 acres and had enlarged the cellars, in 1877 he built a new distillery. By 1900 the estate extended to 1500 acres and had subsidiary industries including vinegar, cordial, liqueur and perfume production. On his retirement in 1916 his son Oscar Benno Seppelt (1873-1963) took over as managing director and continued the expansion of the business purchasing Chateau Tanunda and in 1918 the Great Western vineyards in Victoria as well as acquiring land in Barooga, N.S.W. and commencing winemaking in Rutherglen, Victoria. Oscar Benno Seppelt was also involved in trade organisations, representing the South Australian Vinegrowers Association at the first meeting of the Federal Viticultural Council of Australia in 1918. He was president of the council 1938-39, chairman of the Wholesale Winemakers' and Brandy Distillers' Association 1931-39 as well as being president of the South Australian Chamber of Manufactures 1930-32 and of the Associated Chamber of Manufactures of Australia 1933.

The Tirrana Picnic Races were established in 1855 at Tirrana, a property outside Goulburn, New South Wales. The Cup was believed to be first presented in 1895 but the evidence of this cup brings it to an earlier date of at least 1887. From the early days of colonisation, picnic races have been a feature of rural life in Australia and the famous Bong Bong has established itself as the most famous of these picnic races. The basic business of the Bong Bong Club is to conduct the annual Bong Bong Picnic Race Club Race Meeting which includes the running of the Bong Bong Cup and which normally is held on the second Wednesday in November. The meeting is conducted at the Club's wholly owned 170 acre racecourse, "Wyeera", situated on Kangaloon Road, Glenquarry (sometimes referred to as East Bowral). The Bong Bong Picnic Race Club was formed in 1886 and soon passed the earlier picnic races at Tirrana. The Tirrana Cup race last ran in 1930.

**Victorian Railways**, Free Pass, handcrafted in **gold** (21ct, 19.7gms, 28mm x 23mm octagonal shape with small mount), inscribe on obverse 'Victorian Railways Free Pass' and on reverse 'South Aust Rlys Commission Member', manufactured by Kilpatrick & Co., Goldsmiths of 39 Collins St, Melbourne, in 1886, that Company being under the Vice-Regal patronage. With original case of issue. *Extremely fine and rare.*

\$3,000

The pass bears the plain gold Crown of Queen Victoria and as such could only be used by the Governor or a senior member of Government. The Gold Pass befits the momentous occasion of the opening of the Railway and would give the Governor or senior government leader's free travel between the colonies. The quality and cost of making the pass is evident by the intricate and minute screw pins holding the hand beaten Crown onto the main mounting. The gold content is in excess of any listed gold Railway Pass issued in subsequent years. It shows little sign of use particularly the case and its clasp and was probably used only at the time of the inaugural run of the first train in 1887. Traditionally all Railway Passes bearing the Crown of Monarch were scrapped upon the demise of the Monarch and the gold reused to produce replacement passes bearing the new Crown.
